

Monday 30<sup>th</sup> May

Dear Parents/Caregivers

\_\_\_\_\_ has been selected to be part of the Envirokids Team for 2011. This is an awesome opportunity for your child to learn all about growing their own food and how to look after plants, create compost, prepare soil etc as well as learning to work as a team and care for the environment.

Each Monday is Envirokids day so the children need to have a change of clothes with them each Monday as they may be involved in painting, digging, painting and many other messy activities.

There may be times that I need to take a group of children in the car to collect supplies, thank businesses etc so can you please sign the permission slip below and return to Mrs Roberts.

Thank you to the Envirokid families that have already sent along supplies for us such as egg cartons, seed punnets, and pots, we appreciate it.

Don't forget to keep an eye on our progress by checking out: [www.kimihiaenvirokids.wikispaces.com](http://www.kimihiaenvirokids.wikispaces.com) and check out our notices in the newsletter each fortnight.

If you have any questions then please don't hesitate to contact me (I work Monday's and Tuesday's).

Amy Roberts

Teacher.

---

I give permission for \_\_\_\_\_ to travel around the Huntly area doing jobs as part of his/her commitment to the Envirokids team.
